Optional Add-On Specifications

Jobsite Monitoring Service

This camera is able to utilize LIVETECMOBILE Jobsite Monitoring service, which uses trained monitoring professionals to investigate AI-powered motion alerts from the camera during set monitoring hours. In the event of a verified threat, such as trespassing or vandalism, the chosen primary contact will be notified and given the choice to request emergency services or dismiss the alert. If the primary contact does not reply, emergency services will be dispatched to the jobsite.
